Objects of the Bassendean Community Men's Shed Inc

The Bassendean Community Men's Shed promotes the prevention and control of diseases in men, with the objective to-

- Address the issues of men's mental, physical, and emotional health and wellbeing in the community.
- Engage the elderly, differently-abled, youth, veterans, indigenous and other groups of men and to specifically address any issues of loneliness, isolation and depression.
- Support the social interaction of men in transitional periods.
- To share, disseminate and preserve the skills, abilities and interests that are relevant to the community.
- To facilitate links between men and health-related agencies, family organisations and specialist health professionals.
- To advocate the benefits of partnerships between men's sheds and community.
- To develop a men's shed which can operate on a cost-neutral basis.
- To initiate and continue activities of particular relevance to men.
- To provide strong social fabric for men experiencing isolation.
